Subject: For Tom - results of our discussion with Dave Croxton (R10 303d branch chief) regarding CFA white paper from last week

Ex. 5 - Deliberative

That said, based on our conversation with Dave, I don't think we are in a different position/posture with the region than where we were before the white paper. Although, I think the white paper gives us some insight/leanings of the regional technical folks advising Dave.

John asked me to attend/lurk at Ag stakeholder brownbag. If you are going, I can walk over with you if you want to discuss more.

Cheers.
